

# DEPARTMENT ADMINISTRATORS AND FUND MANAGERS TRAINING WORKSHOPS

We are excited to announce two upcoming training sessions hosted by VCHS Academic Compensation, specifically designed for administrators. These sessions will provide a comprehensive understanding of HSCP Faculty and Faculty RTAD compensation and benefit policies, as well as their impact on schools, departments, and academics. As units navigate the FY27 budget process, the knowledge gained will serve as a valuable resource in supporting them through the Faculty Salary Worksheet (FSW) process. The sessions will be hosted via Zoom.
